Volume Contents

Volume 23 Number 1

P. Sundberg, F. Pleijel and M. E. Christiansen	1	Editorial
Invited Review		
J. P. Thorpe and A. M. Solé-Cava	3	The use of allozyme electrophoresis in invertebrate systematics
P. Sundberg and F. Pleijel	19	Phylogenetic classification and the definition of taxon names
S. B. Manum, M. N. Bose, R. T. Sayer and S. Boström	27	A nematode (*Captivonema cretacea* gen. et sp. n.) preserved in a clitellate cocoon wall from the Early Cretaceous
N. Giani and P. Rodriguez	33	New species of the genus *Trichodrilus* (Oligochaeta, Lumbriculidae)
P. J. Chimonides and P. L. Cook	43	Notes on the genus *Cranosina* (Bryozoa, Cheilostomida)
P. L. Cook and P. J. Chimonides	51	Notes on the genus *Anoteropora* (Bryozoa, Cheilostomatida)
D. P. Gordon and A. V. Grischenko	61	Bryozoan frontal shields: the type species of *Desmacystis, Rhamphostomella, Rhamphosmittina, Rhamphostomellina,* and new genus *Arctonula*
Announcement	73	

Volume 23 Number 2

B. B. Georgiev, R. A. Bray and D. I. Gibson	75	*Matabelea fuhrmanni* (Cestoda, Cyclophyllidea, Paruterinidae): redescription, synonymy and systematic position
G. R. Anderson and T. H. Cribb	83	Five new didymozoid trematodes (Platyhelminthes, Digenea) from Australian platycephalid fishes
W. Westheide, G. Purschke and W. Mangerich	95	*Sinohesione genitaliphora* gen. et sp. n. (Polychaeta, Hesionidae), an interstitial annelid with unique dimorphous external genital organs
D. Eibye-Jacobsen and R. M. Kristensen	107	A new genus and species of Dorvilleidae (Annelida, Polychaeta) from Bermuda, with a phylogenetic analysis of Dorvilleidae, Iphitimidae and Dinophilidae
C. E. F. da Rocha	133	New species of *Metacyclops* (Copepoda, Cyclopidae) from Brazil, with remarks on *M. campestris*
G. R. Lotufo	147	*Cyclopina* (Copepoda, Cyclopoida) from Brazilian sandy beaches
H. Glenner and J. T. Høeg	161	Metamorphosis in the Cirripedia Rhizocephala and the homology of the kentrogon and trichogon

Volume 23 Number 3

R. A. Norton and J. B. Kethley	175	Ecdysial cleavage lines of acariform mites (Arachnida, Acari)
C. Borowski	193	Three new deep-sea species of Sphaerodoridae (Annelida, Polychaeta) from the eastern tropical South Pacific
N. V. Schizas and T. C. Shirley	205	Two new species of *Laophontodes* (Copepoda, Harpacticoida, Ancorabolidae) from McMurdo Sound, Antarctica
C. Erséus	217	Marine Tubificidae (Oligochaeta) of Antarctica, with descriptions of three new species of Phallodrilinae
J. D. D. Bishop	225	The genera *Cribrilina* and *Collarina* (Bryozoa, Cheilostomatida) in the British Isles and North Sea Basin, Pliocene to present day
P. L. Cook and P. J. Chimonides	251	Notes on the family Cupuladriidae (Bryozoa), and on *Cupuladria remota* sp. n. from the Marquesas Islands
P. Nilsson	269	Book Review

Volume 23 Number 4

G. Rouse and K. Fitzhugh	271	Broadcasting fables: Is external fertilization really primitive? Sex, size, and larvae in sabellid polychaetes
H. Wägele and R. C. Willan	313	The morphology and anatomy of the Antarctic gastropod *Bathyberthella antarctica* (Opisthobranchia, Notaspidea, Pleurobranchidae)
R. Bosmans and J. Bosselaers	325	Spiders of the genera *Pachygnatha, Dyschiriognatha* and Glenognatha (Araneae, Tetragnathidae), with a revision of the Afrotropical species
G. Nilson, M. Höggren, B. S. Tuniyev, N. L. Orlov and C. Andren	353	Phylogeny of the vipers of the Caucasus (Reptilia, Viperidae)
	i	Volume Contents and Author Index, 1994
